New Gazebo for the School Garden

Dear Parent /Carer,

You may have noticed the exciting developments in our school garden over the last few days. We now have a beautiful gazebo for outdoor learning for the children to access over the years to come. It will be a great place for whole-class and small group work to be delivered, as well as for children to discover more about the outdoor environment in a sheltered area.

The school applied for funding through the ‘Sugar Tax’ grant to purchase and build the gazebo. This means that we haven’t had to find any funds from our school budget. A fantastic achievement as you are well aware of tight school budgets across the country.

We know you’ll agree that the gazebo is a welcome addition to our school premises. We ask that you help us to keep it in great condition by not allowing children to climb on it whilst they are waiting to come into school in the mornings and when picking them up from school at the end of the day.

We’ll inform you once it is ready to use. You can wait inside there in the mornings when it’s cold and when it’s raining too – a regular occurrence with the autumnal and wintery British weather!

Kind regards,

Mr. A. Bainbridge
