Key stage 2 tests (May 2019) – Year 6 pupils

Dear Parent/Guardian,

In May 2019 your child will take statutory National Curriculum tests (SATs) in English reading, English grammar, punctuation and spelling and mathematics (see dates below). The tests help measure whether children have met the expected standard in these subjects as well as the progress pupils have made since Year 2. The outcomes will be shared with you in July 2019 as well as with secondary schools and local/national government agencies.

Subject	Test Paper	Date
English grammar, punctuation and spelling	Punctuation and grammar (including vocabulary)	Monday 13 th May 2019
	Spelling	
English reading	English reading (1 paper)	Tuesday 14 th May 2019
Mathematics	Arithmetic	Wednesday 15 th May 2019
	Mathematical Reasoning	
Mathematics	Mathematical Reasoning	Thursday 16 th May 2019

As there is no test for English writing, this will be reported as a teacher assessment judgement. This is a judgement teachers will make, based on your child’s work at the end of key stage 2. You will also receive teacher assessment judgements for English reading, mathematics and science.

How can you help your child to prepare? Teachers will make sure all pupils in their class are prepared for the tests. There’s nothing specifically test related that you should do to prepare your child. You should follow the general advice teachers give about supporting your child’s education throughout the year.

During the test window, the school **will not authorise** any holiday requests. If you would like any further information regarding Key Stage 2 SATs, please speak make an appointment to see me at a convenient time.

Kind regards,

Mr. A. Bainbridge
